Palette Knife Painting

ONE DAY WORKSHOP

During the workshop you will be led step by step through many different basic techniques of applying texture to your painting, having each demonstrated to you, then performing each step yourself to a point where you will develop a strong understanding of process and what is possible. You will get to produce a work of art to take home, with your own distinctive style and colour. We will produce a seascape on paper from start to finish,then you get to work on your canvas or panel with the skills you have learned.

WHAT YOU WILL LEARN:

- preparation of a surface.
- colour blending and composition.
- Introduction to modeling compounds, mediums and paints.
- The uses of powdered pigments & particulates.
- techniques with a palette knife and mark making tools.

WHAT TO BRING:

an old T Shirt or apron.
a small size canvas, wooden panel or tondo....nothing larger than a 40cm square or 40cm diameter (we can be flexible here if you have something at home) - I will have some 30 x 30 canvases for sale - a perfect size.
A palette knife and any mark making tools if you have them - old credit cards, scrapers or squeegees
A big brush for gesso and blocking in first coat
favourite acrylic paint colours - or just a white, blue, red and yellow (we can do some colour theory)

COST: $120

paper, gesso, modelling compounds and mediums & powdered pigments included in fee
Tea and coffee are provided - bring something for your lunch.

Please Note: Numbers are limited to 8 per workshop, so payment in advance is required to secure your place.
