ABOUT THE ARTIST:

After completing a Bachelor of Visual Arts and Design at Ideaschool, EIT, Taradale in 2015, I now work as a full time artist and tutor.

My work is largely abstract landscapes and seascapes in subtle moody tones, often rich in texture in either thick buttery acrylics or rich oils with layers of translucent cold wax.

My other medium uses organic materials such as beeswax, pigment and shellac, heating them for the process of encaustic wax on wood. Encaustic painting is an ancient technique, dating back to the Greeks who created portraits in wax to place over a mummy of the deceased as a memorial. The colour remains true to this day. By nature, these elements originate from the same source and by uniting them within the artwork a special link is formed.

My work is currently represented by:
Muse Gallery - Havelock North
Viva Gallery - Napier

COST: \$125 FOR BOOKINGS OF 5 WEEKS

Tea & Coffee provided - Plus cost of materials depending on your medium.

I can supply most materials you will need, and offer guidance with any purchase to build the best value materials kit for yourself.
